# The only collagen mask that consists of 98% native collagen for intense hydration & regeneration.

## Skin Smoothing

## Composition

With **98%** this mask consists of an **extra high** concentration of native collagen. **Native collagen fibers** which are 97% identical to the human skin form a three-dimensional network. The highly concentrated native collagen ensures an intensive moisture transfer to the skin. **Native collagen peptides** are recognized in the skin and stimulate collagen production promoting skin regeneration and repair. **Native collagen molecules** strengthen the skin's moisture-binding capacity, support the smoothing of wrinkles and balance the skin's surface for a healthy protection.

## Inci

· Collagen · Polyglyceryl-10 Laurate
