

Native Collagen Mask & Brightening Complex

Skin Concerns

Dehydrated skin
Fine lines and wrinkles
Uneven skin tone
Irritated skin
Darkened complexion
Hyperpigmentation, age spots or acne scars

Skin Need

Regeneration

The Benefits

Provides moisturization
Smooths lines and wrinkles
Harmonizes skin tone
Regenerates and soothes (reduced redness)
Lightens skin tone
Illuminates the complexion
Fights age spots
Protects from free radical damage
Suitable for all skin types

Please scan for detailed
product information such
as application videos or
modes of action

Lightens skin tone, prevents and corrects age spots.

Composition

Native collagen fibers form a three-dimensional network. The highly concentrated native collagen has a high waterbinding capacity, ensuring a continuous supply of the active ingredients and an intensive moisture transfer to the skin. **Native collagen peptides** are recognized in the skin, act as signal for collagen stimulation and promote skin regeneration and repair. **Native collagen molecules** strengthen the skin's moisturebinding capacity, support the smoothing of wrinkles and balance the skin's surface for a healthy protection. **Brightening Complex:** Alpha-Arbutin, Citric Acid (AHA), Ectoin, Licorice Root, Grape Seed Extract. Alpha-Arbutin (5%) blocks melanin synthesis by inhibiting the tyrosinase activity. Furthermore Licorice Root contains glycyrrhic acid that acts anti-inflammatory and additionally reduces the damaging effect of UV rays on the skin and Citric acid (AHA) mildly exfoliates and also lightens the skin.

Inci

· Collagen · Alpha-Arbutin · Hydrogenated Polyisobutene · PPG-15 Stearyl Ether · Citric Acid · Ectoin
· PEG-40 Sorbitan Peroleate · Vitis Vinifera Seed Extract · Dipotassium Glycyrrhizate · BHT

Scientific Data

+59% Increase in skin moisture (Corneometry, activated with Activation Liquid 17SF)¹

-38% Decrease in skin roughness (PRIMOS, activated with Activation Liquid 17SF)¹

-27% Reduction of redness (Chromometry, activated with water)²

Dermatologically tested

Color

White

Shelf Life

3 years in original, unopened packaging

Storage

Room temperature. Protect from dampness and direct sunlight exposure
