

Native Collagen Mask & Stem Cell Complex

Skin Concerns

- Dehydrated skin
- Deeper lines and wrinkles
- Uneven skin tone
- Irritated skin
- Slowed down cell renewal
- Prematurely aged skin

Skin Need

Regeneration

The Benefits

- Provides moisturization
- Minimizes lines and wrinkles
- Harmonizes skin tone
- Regenerates and soothes skin (reduced redness)
- Activates cell renewal
- Extends life of skin's stem cells
- Protects from free radical damage
- Suitable for all skin types

Please scan for detailed product information such as application videos or modes of action

Extends life of skin stem cells and activates cell renewal.

Composition

Native collagen fibers form a three-dimensional network. The highly concentrated native collagen has a high waterbinding capacity, ensuring a continuous supply of the active ingredients and an intensive moisture transfer to the skin. **Native collagen peptides** are recognized in the skin, act as signal for collagen stimulation and promote skin regeneration and repair. **Native collagen molecules** strengthen the skin's moisturebinding capacity, support the smoothening of wrinkles and balance the skin's surface for a healthy protection. **Stem Cell Complex:** Apple Stem Cell Extract, Baicalin, Resveratrol. The Swiss apple Uttwiler Spätlauber has extremely longliving cells with a high tannin content and the ability to activate and extend the lifetime of skin's stem cells (tested in vitro).

Inci

· Collagen · PPG-15 Stearyl Ether · Hydrogenated Polyisobutene · Propylene Glycol · PEG-40 Sorbitan Peroleate · Resveratrol · Malus Domestica Fruit Cell Culture Extract · Baicalin · Glycerin · Lecithin · Di-C12-13 Alkyl Malate · Xanthan Gum · BHT · Phenoxyethanol · CI 75470 (Carmine) · CI 77510 (Ferric Ammonium Ferrocyanide)

Scientific Data

+59% Increase in skin moisture (Corneometry, activated with Activation Liquid 17SF)¹

-38% Decrease in skin roughness (PRIMOS, activated with Activation Liquid 17SF)¹

-27% Reduction of redness (Chromometry, activated with water)²

Dermatologically tested

Color

Lilac

Shelf Life

3 years in original, unopened packaging

Storage

Room temperature. Protect from dampness and direct sunlight exposure
