# Easy spray application to minimize deep lines and wrinkles.

Shake well  
before use

## Composition

- **Soluble native collagen molecules** improve skin's moisture-binding capacity, replenish moisture depots, promote skin firmness, and smooth lines and wrinkles.
- **Natural Moisturizing Factors (NMFs)** provide significant water retention in the stratum corneum and keep the skin surface intact. The skin is plumped and strengthened.
- **Panthenol** improves the appearance of the skin, softens the skin and soothes skin irritations.
- **pH-value:** between 3.6 and 3.9.
