Includes phyto stem cell extract to extend the life of skin stem cells. Easy spray application.

Shake well before use

Composition

- **Soluble native collagen molecules** improve skin's moisture-binding capacity, replenish moisture depots, promote skin firmness and smooth lines and wrinkles.
- **Phyto stem cell extract** activates cell renewal.
- **Natural moisturizing factors (NMFs)** offer significant water-retention capability in the stratum corneum and keep skin surface intact. Skin is plumped and firmed.
- Keeps skin in good condition after treatment
- Extends the effect of cosmetic treatment
- Optimally prepares for the next treatment
- Quick, simple and convenient

Inci

· Aqua (Water) · Butylene Glycol · Glycerin · Leuconostoc / Radish Root Ferment Filtrate* · Soluble Collagen · Malus Domestica Fruit Cell Culture Extract · Panthenol · PCA · 1,5-Pentanediol · Saccharide Isomerate · Monosodium Citrate · Isomalt · Parfum (Fragrance)

Effect of PhytoCellTec™ on human stem cells – Mibelle AG Biochemistry

Dermatologically and ophthalmologically tested. Clinically proven pH-value: 3,77

Color

Transparent

Content

50 ml, pump spray, no aerosol

Shelf Life

3 years in original, unopened packaging

Storage

Room temperature (5–25°C / 41–77°F). Protect from direct sunlight exposure.

Application

Shake well before use. Close eyes and spray directly onto cleansed face and neck. Or spray into hands before. Gently massage until completely absorbed. For best results use 2x daily (morning & evening) and whenever the skin needs a quick recharge. Use 3 pumps for face and 3 pumps for neck and décolleté.

¹ Dermatological Evaluation, n=20, Dermatest July 2013, Germany. * Leuconostoc/Radish Root Ferment Filtrate is a natural preservative.
