

Firming & Lifting

Natural Algae Mask Pure

Firm, lift, and revitalize your skin with the power of natural algae and sea minerals.

The Natural Algae Mask Pure combines alginate, a brown algae, with powerful sea minerals to lift, firm, and contour the skin. This mask hydrates intensely, plumps fine lines and wrinkles, and revitalizes tired, dehydrated skin. By stimulating cell energy and differentiation, it helps restore volume and improve skin elasticity.

With its ability to absorb hundreds of times its weight, the algae extract delivers moisture deeply into the skin, leaving the skin smoother, firmer, and more defined. This mask is ideal for combating premature aging and skin fatigue.

Skin Concerns

- Prominent lines and wrinkles
- Loss of volume and firmness
- Undefined facial contours
- Tired and prematurely aging skin

The Benefits

- Lifts, firms, and contours the skin with natural algae and sea minerals for improved volume and definition.
- Intensely hydrates and revitalizes, promoting smoother, firmer, and more youthful skin.

Natural Algae Mask Pure

Active Ingredients

Alginate (Brown Algae Extract): Acts as a delivery system for deep hydration, absorbing moisture into the skin and enhancing the skin's overall texture.

Sea Minerals (Calcium): Stimulate cell energy activity and strengthen the skin's membrane, promoting firmer, denser skin.

Calcium: Stimulates the production of aquaporins (water channels), improving skin hydration and moisture transfer.

Low pH-Level: Regulates the skin's barrier function and supports a healthy microbiome.

INCI

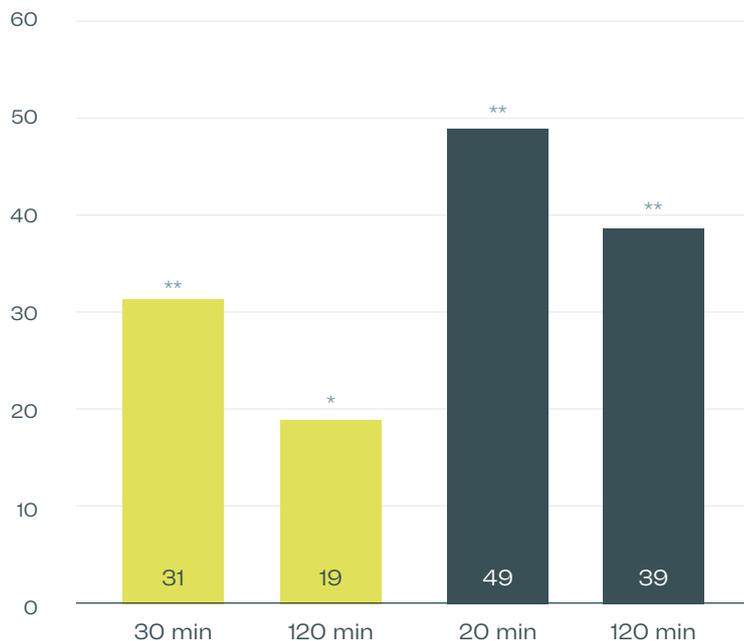

Algin · Cellulose Gum · Glycerin · Calcium Sulfate · Caprylic/Capric Triglyceride · Citric Acid · Sorbitol

Intense Smoothing Effect

The skin appears younger due to a significant reduction of skin roughness after one application and lasting effect.

REDUCTION OF SKIN ROUGHNESS [%]

● Water ● Activation Liquid
