

Hydration & Moisture

Native Collagen Mask Pure Extra

Boost your skin's hydration and rejuvenation with 98% native collagen for intensive care.

With 98% native collagen, this mask provides an extra hydration boost while smoothing fine lines and wrinkles. It stimulates collagen production and promotes skin regeneration. Ideal for skin recovery after sun exposure or cosmetic treatments, it leaves the skin plump, smooth, and visibly rejuvenated.

Skin Concerns

- Dehydrated skin
- Lines and wrinkles
- Uneven skin tone
- Irritated skin

The Benefits

- Offers superior hydration and visible skin rejuvenation with an intensive 98% native collagen formula for a healthy glow.
- Soothes and regenerates irritated skin while supporting skin recovery after sun exposure and cosmetic procedures.

Native Collagen Mask Pure Extra

Active Ingredients

98% Native Collagen: Intensively hydrates and boosts collagen production.

Native Collagen Fibers: 97 % identical to the human skin and form a three-dimensional network. The highly concentrated native collagen ensures an intensive moisture transfer to the skin.

Native Collagen Peptides: Recognized in the skin and stimulate collagen production promoting skin regeneration and repair.

Native Collagen Molecules: Strengthen the skin's moisture-binding capacity, support the smoothening of wrinkles and balance the skin's surface for a healthy protection.

INCI

Collagen · Polyglyceryl-10 Laurate · Citric Acid
