

Brightening & Even Skin Tone

# Active Vitamin C Concentrate

Professional- &  
Home Use

Rejuvenate and brighten your skin with pure Vitamin C and nourishing jojoba oil.

The Vitamin Concentrate contains 79% pure L-Ascorbic Acid in a stable 3D-matrix. Upon activation with Activation Liquid 15SF, it transforms into a potent serum that smooths lines, reduces wrinkles, and improves elasticity.

It boosts radiance, evens out skin tone, and reduces pigmentation spots, while protecting against free radicals for a more youthful, glowing complexion.
