

Anti-Aging & Wrinkle Reduction

Native Collagen Spray Stem Cell Complex

Revitalize, hydrate, and smooth your skin with native collagen and phyto stem cell extract.

The Native Collagen Spray Stem Cell Complex combines soluble native collagen molecules and phyto stem cell extract to smooth fine lines, firm the skin, and boost elasticity. This spray deeply hydrates, revitalizes tired skin, and supports cell renewal.

It helps harmonize the skin tone, improves radiance, and provides a natural glow. Ideal for dehydrated, rough, or dull skin, it rejuvenates and refreshes the complexion, leaving the skin plumped, firm, and glowing.

Skin Concerns

- Fine lines and wrinkles
- Dehydrated, rough skin
- Tired, dull skin
- Uneven skin tone

The Benefits

- Smooths fine lines and improves skin elasticity with native collagen and phyto stem cells.
- Hydrates, firms, and revitalizes, leaving the skin glowing and refreshed.

Native Collagen Spray Stem Cell Complex

Active Ingredients

Soluble Native Collagen Molecules: improve skin's moisture-binding capacity, replenish moisture depots, promote skin firmness and smooth lines and wrinkles.

Phyto Stem Cell Extract: Activates cell renewal and promotes skin regeneration.

Natural Moisturizing Factors (NMFs): offer significant water-retention capability in the stratum corneum and keep skin surface intact. Skin is plumped and firmed.

INCI

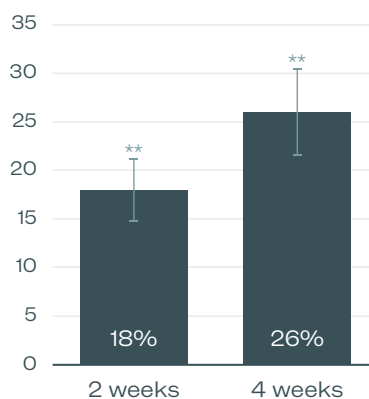

Aqua (Water) · Butylene Glycol · Glycerin · Leuconostoc / Radish Root Ferment Filtrate* · Soluble Collagen · Malus Domestica Fruit Cell Culture Extract · Panthenol · PCA · 1,5-Pentanediol · Saccharide Isomerate · Monosodium Citrate · Isomalt · Parfum (Fragrance) · Linalyl acetate

Application

Shake well before use. Close eyes and spray directly onto cleansed face and neck. Or spray into hands before. Gently massage until completely absorbed. For best results use 2x daily (morning & evening) and whenever the skin needs a quick recharge. Use 3 pumps for face and 3 pumps for neck and décolleté.
