

Firming & Lifting

Native Collagen Mask Caviar Extract

Nourish and revitalize your skin with native collagen and luxurious Caviar Extract.

The Native Collagen Mask Caviar Extract combines 91% native collagen with luxurious Caviar Extract to hydrate, firm, and rejuvenate tired, dull skin. Rich in omega-3, amino acids, vitamins, and antioxidants, Caviar Extract nourishes the skin, reducing water loss and combating dehydration.

This mask smooths fine lines, enhances skin elasticity, and stimulates collagen production, making it ideal for mature and prematurely aged skin. It revitalizes the skin, reduces inflammation, and provides protection against UV rays, leaving the complexion smooth, firm, and radiant.

Skin Concerns

- Dehydrated skin
- Fine lines and wrinkles
- Uneven skin tone
- Tired, dull and inactive skin
- Mature skin

The Benefits

- Combines 91% native collagen and Caviar Extract to hydrate, smooth, and firm the skin.
- Promotes collagen production, revitalizes tired skin, and protects against premature aging and UV rays.

Native Collagen Mask Caviar Extract

Active Ingredients

Native Collagen Fibres: Form a three-dimensional network. The highly concentrated native collagen has a high waterbinding capacity, ensuring a continuous supply of the active ingredients and an intensive moisture transfer to the skin.

Native Collagen Peptides: Stimulate collagen production, supporting skin regeneration and reducing wrinkles.

Native Collagen Molecules: Strengthen the skin's moisture-binding capacity and balance the skin's surface for improved protection.

Caviar Extract: Rich in omega-3, amino acids, vitamins, and antioxidants. The balanced mix of important minerals, such as magnesium, potassium or iron, ideally nourishes skin. Reduces water loss and combats skin's dehydration. Promotes collagen production, which enhances skin elasticity and firmness.

INCI

Collagen · Hydrogenated Polyisobutene · PPG-15 Stearyl Ether · PEG-40 Sorbitan Peroleate · Caviar Extract · Maltodextrin · Hydrolyzed Elastin · Desamido Collagen · BHT · CI 75470 (Carmine)

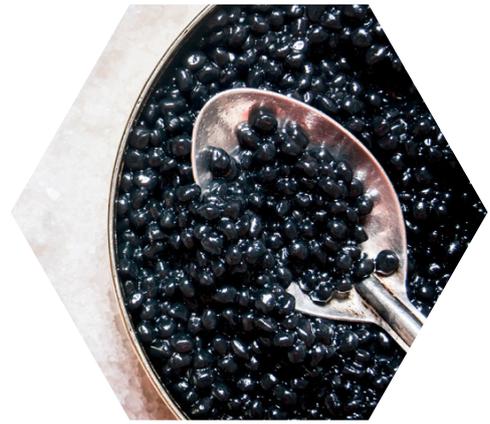

Scientific Data

- +59%** Increase in skin moisture
(Corneometry, activated with Activation Liquid 17SF)¹
