Native Collagen Mask Stem Cell Complex

Activate your skin's renewal with native collagen and a potent Stem Cell Complex for rejuvenated skin.

The Native Collagen Mask Stem Cell Complex combines 84% native collagen with an advanced Stem Cell Complex to rejuvenate and renew the skin. This mask minimizes deeper lines and wrinkles, hydrates intensely, and promotes skin regeneration.

The Stem Cell Complex, containing Apple Stem Cell Extract, Baicalin, and Resveratrol, activates cell renewal and extends the life of skin's stem cells, helping to reverse signs of premature aging. It soothes irritated skin, balances skin tone, and protects from free radical damage, leaving the skin refreshed, smoother, and revitalized.

Professional
Use

Skin Concerns

- Dehydrated skin
- Deeper lines and wrinkles
- Irritated and uneven skin tone
- Slowed down cell renewal
- Prematurely aged skin

The Benefits

- Combines 84% native collagen and a Stem Cell Complex to activate cell renewal and reduce wrinkles.
- Extends the life of skin's stem cells, regenerates, and protects the skin from environmental damage.

Native Collagen Mask Stem Cell Complex

Active Ingredients

Native Collagen Fibres: Form a three-dimensional network to enhance moisture retention and smooth the skin.

Native Collagen Peptides: Stimulate collagen production, supporting skin regeneration and reducing wrinkles.

Native Collagen Molecules: Strengthen the skin's moisture-binding capacity, smoothing the surface and improving protection.

Stem Cell Complex containing:

Apple Stem Cell Extract: Activates skin cell renewal and extends the life of skin's stem cells, promoting long-lasting rejuvenation. The Swiss apple Uttwiler Spätlauber has extremely long-living cells with a high tannin content and the ability to activate and extend the lifetime of skin's stem cells (tested in vitro).

Baicalin: Provides antioxidant protection, reducing skin damage and signs of aging.

Resveratrol: Protects from free radical damage, enhancing the skin's overall health.
