

Hydration & Moisture

Native Collagen Mask Pre-Soaked

Instantly hydrate and smooth your skin with native collagen and a powerful activation complex.

The Native Collagen Mask Pre-Soaked combines 92% native collagen with Activation Liquid 17SF to provide an instant hydration boost and smooth fine lines and wrinkles. This pre-soaked mask deeply moisturizes, plumps the skin, and harmonizes the skin tone.

Enhanced with LIFTONIN™-Xpress, it tightens the skin immediately, giving a refreshed and rejuvenated appearance. Ideal for after sun recovery or for soothing irritated skin, it regenerates and reduces redness, leaving the skin visibly smoother and revitalized.

Skin Concerns

The Benefits

- Provides an instant hydration boost with 92% native collagen and LIFTONIN™-Xpress, smoothing wrinkles and tightening the skin.
- Regenerates and soothes irritated skin, ideal for after sun recovery or sensitive skin, leaving it revitalized and refreshed.

Native Collagen Mask Pre-Soaked

Active Ingredients

Mask

Native Collagen Fibres: Form a three-dimensional network. The highly concentrated native collagen has a high waterbinding capacity, ensuring a continuous supply of the active ingredients and an intensive moisture transfer to the skin.

Native Collagen Peptides: Stimulate collagen production, supporting skin regeneration and reducing wrinkles.

Native Collagen Molecules: Strengthen the skin's moisture-binding capacity and balance the skin's surface for healthy protection.

Activation Liquid 17SF: Plumps the skin and replenishes moisture reserves, improving skin hydration.

LIFTONIN™-Xpress: Minimizes wrinkles and immediately tightens the skin for a smoother, firmer appearance.

Hyaluronic Acid: Deeply hydrates and plumps the epidermis, improving skin elasticity and moisture retention.
